

**An introduction to algebraic K-theory, part 2 : K_0, K_1, K_2 and some computations.
Sarang Sane, IITM**

Abstract: This is the second talk in a series of talks meant to introduce algebraic K-theory. In this talk, we hope to define K_0, K_1 and K_2 and discuss some computations of the same.

Pre-requisites :
Familiarity with contents of the previous talk.
